AXIOM 8

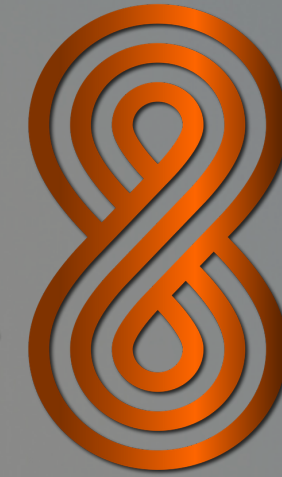

The Future of Skin Guard.

Axiom 8 is the new gold standard in full-body protection. It features a patented technology that kills metabolically rather than poisoning, providing an invisible shield that helps keep your skin silky and soft. Axiom 8 can help break the chain of cross-contamination, supporting healthcare efforts at home and abroad.

GOOD FOR PROVIDERS, BETTER FOR PATIENTS.**

AXIOM8

EFFECTIVENESS:

After several years of testing Axiom 8 has just completed its final certified FDA testing for the OTC market. Typical skin guards test for 3 bacteria, Axiom 8 tested for the 13 listed below and came back with superior results. It kills the following organisms (those highlighted will be of particular interest to medical professionals):

- Escherichia coli
- Pseudomonas aeruginosa
- Klebsiella pneumoniae
- Serratia marcescens
- Staphylococcus aureus MRSA
- Staphylococcus epidermidis
- Streptococcus pyogenes

- Enterococcus faecalis (ATCC No. 51299 and ATCC No. 51575)
- Enterococcus faecium
- Candida albicans
- Candida tropicalis
- Clostridium difficile (C. diff)

AXIOM 
The Future of Skin Guard.

Axiom 8 is 99% effective against human coronavirus.*
*Human coronavirus is not COVID19 and is a surrogate. Testing showed that C. diff had a 5 log reduction in 60 seconds. Candida Albican had a 4 log reduction in 2 minutes and 5 log in 5 minutes. Axiom 8 aided in the reduction of the feline norovirus by 43% in 30 seconds.

SKIN PROTECTION HAS BEEN
redefined.
